

OUTPATIENT INFUSION CENTER

The Bremo Road Outpatient Infusion Center is located in the Medical Office Building South.

The Hanover Medical Park Outpatient Infusion Center is located in the Medical Office Building III.

Both facilities provide a full spectrum of care for ambulatory, self-care patients who—

- ◆ may not require hospitalization
- ◆ may not be receiving home care because of insurance constraints
- ◆ may prefer the ease and convenience of clinic appointments

REFERRAL PROCEDURE

- ◆ During operating hours, call the direct line to the facility. After operating hours, please leave a message to include the caller's name, telephone number, and type of services required.
- ◆ The Infusion Center staff will contact you the next morning.
- ◆ Signed physician and medication orders are required on all patients. These orders may be faxed to the Center 48 hours prior to the appointment.
- ◆ The referring physician's office or Care Manager is responsible for obtaining insurance pre-authorization for the patient.

PATIENTS WILL BE SCHEDULED BY APPOINTMENT ONLY.

Physicians may admit patients to the Outpatient Infusion Center from their offices, hospitals, nursing homes, or emergency rooms for short- or long-term infusion therapy.

The Center provides outpatient care to include, but is not limited to, the following therapies—

- Antibiotic therapy
- Vancomycin dosing per Inpatient Pharmacy
- Chemotherapy
- Remicade & Iron Infusion
- Blood and blood product transfusion
- Prolastin (alpha-1-proteinase inhibitor) therapy
- Hydration therapy
- SQ/IM injections
- Rabies Vaccine series
- Therapeutic Phlebotomy
- Wound Care
- Central Line Management
- Lumbar Puncture
- Thoracentesis/Paracentesis
- Tetanus Injections
- Solumedrol
- Procrit injections
