## Observation Agreement

I acknowledge and understand that I may have access to proprietary or other confidential business information belonging to Bon Secours Richmond (BSR) or Bon Secours Hampton Roads (BSHR). In addition, I acknowledge and understand that I may have access to confidential information regarding Bon Secours BSR & BSHR employees, patients, and patient care. Therefore, except as required by my employer or by law, I agree that I will not:

- A. Disclose to any other person, or allow any other person access to, any information related to Bon Secours which is proprietary or confidential and/or pertains to employees, patients or patient care.

“Disclosure of information” includes, but is not limited to, verbal discussions, FAX transmissions, providing hard copies, electronic message transmission, taking pictures of data, voice mail communication, written documentation, “loaning” computer access codes, copying sensitive or confidential information to unauthorized, unprotected electronic devices and/or other electronic transmission or sharing of data.

I understand that Bon Secours, its patients, staff, or others may suffer irreparable harm by disclosure of proprietary or confidential information and that Bon Secours may seek legal remedies available to it should such disclosure occur. Further, I understand that violations of this agreement. I understand that this statement is binding both during my clinical experience and thereafter.

In exchange for authorization to participate in an observational experience at Bon Secours, I agree to:

- Provide confirmation that I have had a tuberculosis (TB) screening within the past 3 months and am free of TB to the best of my knowledge
- Read and follow the orientation instructions and any other materials provided by Bon Secours related to this experience
- Reschedule my observation experience if I have been exposed to any infectious conditions in the immediate 48-hours prior to the observation experience or if I am not feeling well the day of the experience
- Not touch patients or participate in any procedures or patient care/treatment activities
- Maintain a distance of six feet from patients when possible to reduce the risk of possible airborne infection transmission
- Remain with the designated healthcare professional at all times when in patient care/treatment areas and not enter rooms or offices without permission
- Keep patient personal and private information confidential (i.e, what I hear and see there will stay there)
- Not share any patient information verbally, in writing, through social media, or in any other format with others
- Not take pictures or videos of patients, staff, visitors, or others without written authorization in any patient care or treatment areas
- Comply with the rules and procedures of Bon Secours as instructed during this observation experience
- Not remove any forms, documents, equipment, materials, resources, or other items from Bon Secours without permission

Understanding that the nature of a healthcare environment can potentially expose me to emotional and physical trauma, infections, such as the flu, and dangerous equipment, I acknowledge that I am participating in this observation experience at my own risk and that Bon Secours is not financially or legally responsible for any injury or illness incurred as a result of this observation experience. Therefore, in consideration of the benefits to be derived from this experience, any and all claims against Bon Secours or any person working under its direction are hereby expressly waived.
