

Bon Secours Health Center at Harbour View

5818 Harbour View Blvd.
Suffolk, VA 23435

757-673-5800 / BonSecours.com

Life can be complicated. Today's patients need easy-to-use, high-quality health care provided with customer service standards — convenience, location, selection, free parking, same-day service, ease of use — that make good health easy to maintain. That's what you'll find at the Bon Secours Health Center at Harbour View: an array of award-winning, customer-focused outpatient services.

Bon Secours Emergency Care

- Staffed with the same medical personnel and diagnostic equipment available in Bon Secours' hospital-based emergency departments.
- Capable of treating all urgent and emergent medical conditions.
- No appointment is needed.

Advanced Imaging and Radiology Services

- X-rays, MRIs, CT scanning, ultrasounds and bone densitometry.

Bon Secours Colorectal Center

Outstanding board-certified colorectal surgeons supported by an experienced medical team and a patient-coordinator nurse.

- Endoscopy center with two suites for quick, accurate diagnosis of lower-GI conditions.
- Anorectal physiology center.

Bon Secours In Motion Physical Therapy

- Expert professionals, individualized attention and care customized to meet patients' needs.

Bon Secours Surgical Weight Loss Center

- A comprehensive weight-loss center that provides outpatient services for weight-loss patients.

Bon Secours Cancer Institute at Harbour View

The Bon Secours Cancer Institute at Harbour View is located in the Bon Secours Harbour View Medical Plaza. The goal of the Cancer Institute is to improve both the quality of care and access to cancer treatment for the citizens of western Hampton Roads. Located on the first floor, the Cancer Institute offers comprehensive radiation therapy and infusion services that include:

- External beam radiation therapy with a state-of-the-art Varian linear accelerator.
- Advanced brachytherapy services to include high-dose radiation therapy.
- Mobile PET/CT services.
- Chemotherapy and infusion center.
- A community education room.

Millie Lancaster Women's Center

Women's health resource center for breast health, reproductive health, osteoporosis and heart disease. Our breast-health nurse navigator guides women through diagnosis and treatment of breast cancer.

- 3-D and digital mammography.
- Stereotactic breast biopsy.
- Reclast infusion therapy.
- Advanced diagnostics tools for better imaging and early detection.

Outpatient Surgery Center and The Center for Sight

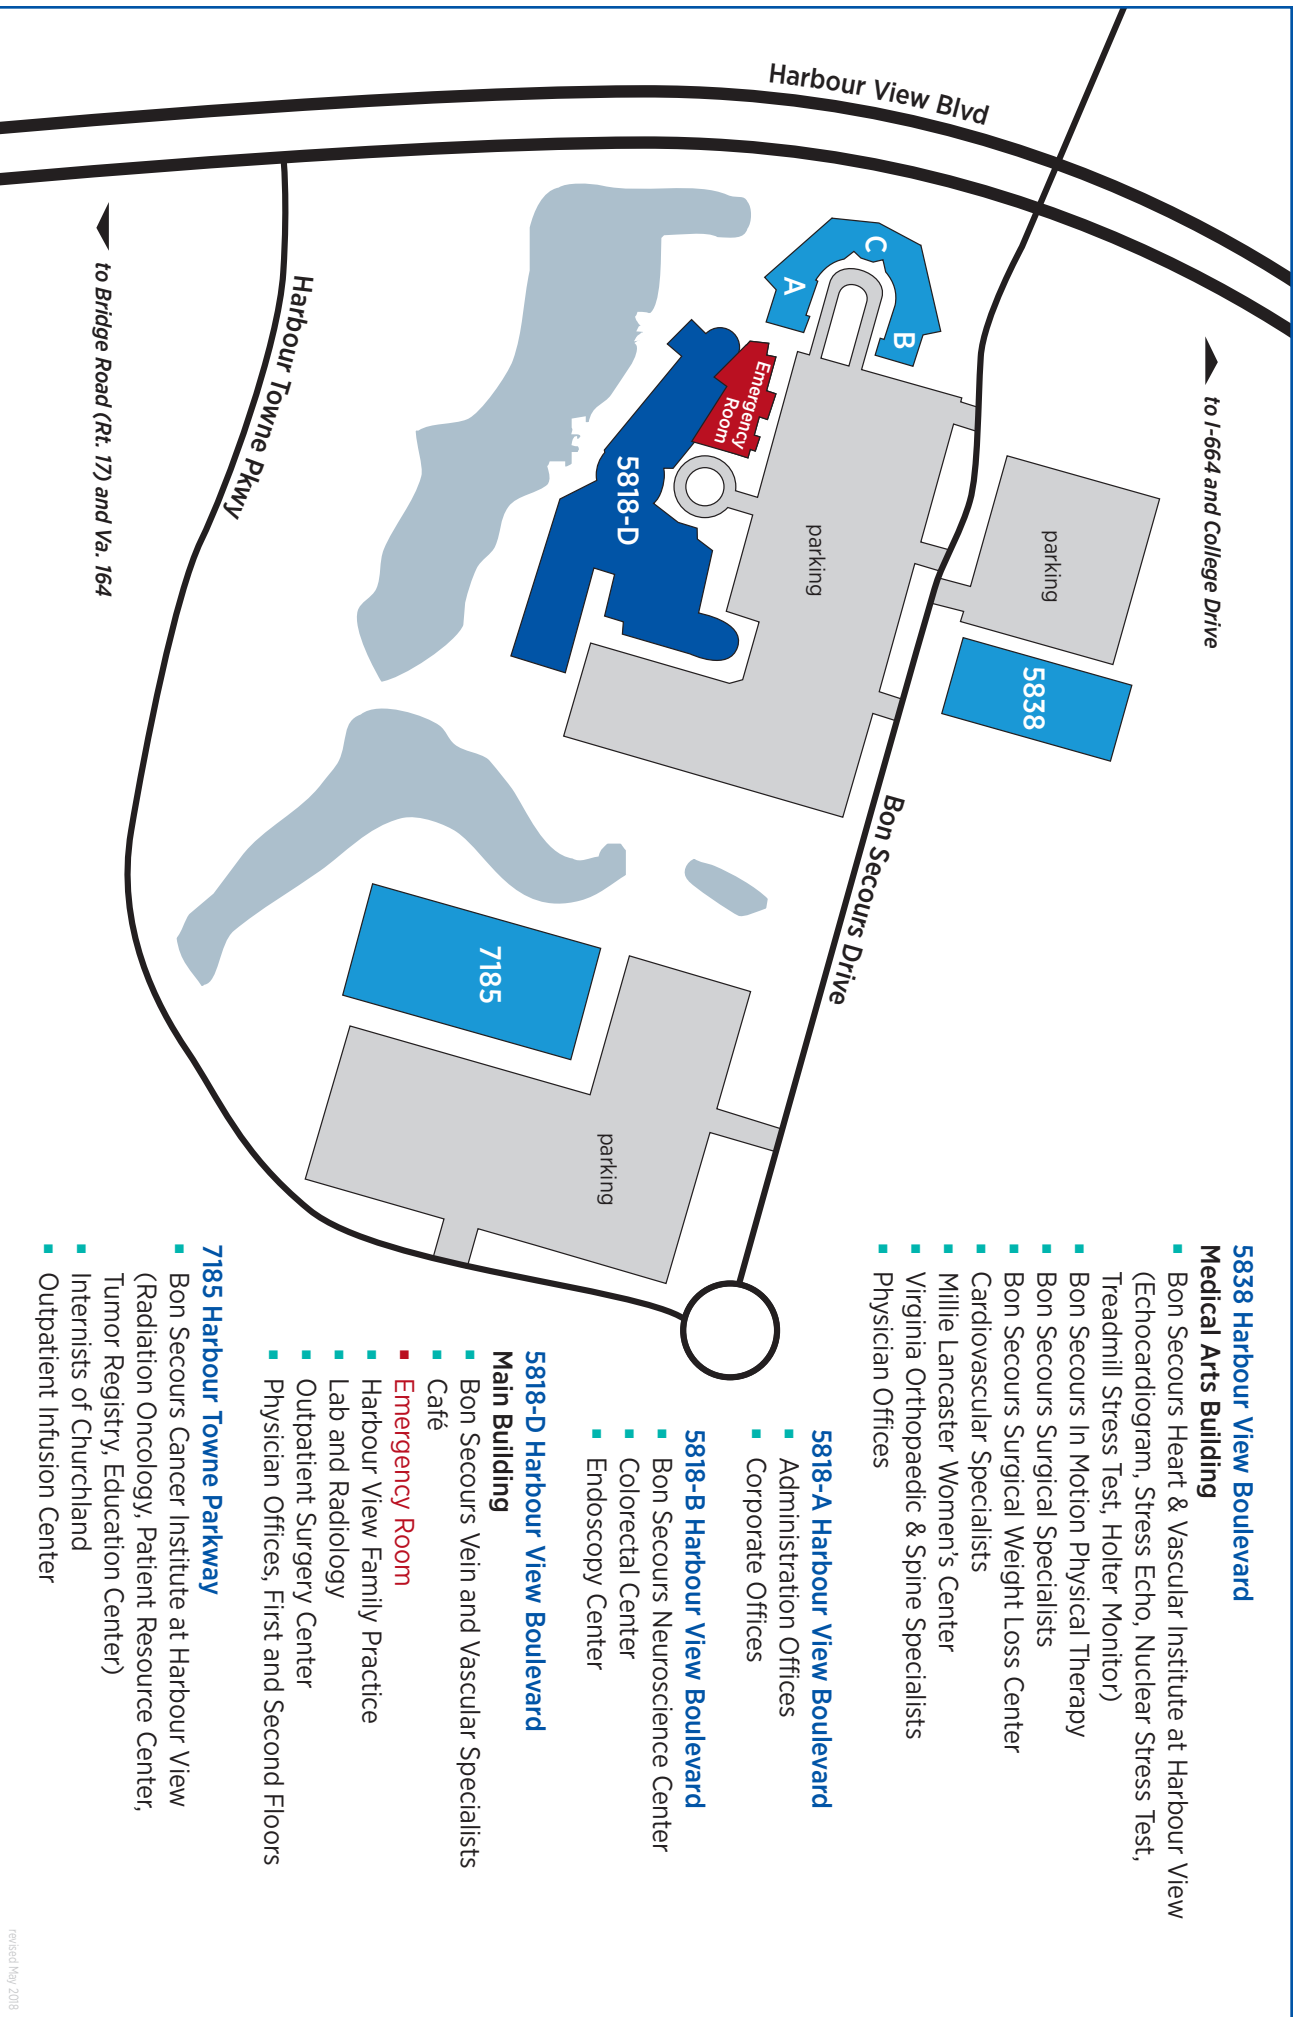

- Five-star patient-rated center with private pre- and postoperative rooms.

Additional Services

- Laboratory services.
- Primary care and specialty practices

Bon Secours Health Center at Harbour View operates as a department of Bon Secours Maryview Medical Center.
