Please take an opportunity to stop by and say hello to Alicia while you are visiting, as she is very excited to get to know each and every resident and family member.

Welcome, Alicia Durrah!
We’re more than half way through the summertime and it won’t be long before those cool and crisp fall nights are here. There is a lot going on around the country this month for sports fans. The PGA Championship begins August 7 and is taking place at Quail Hollow Club in Charlotte, North Carolina. What’s better than a cup of coffee and listening to the golf announcers on a Sunday morning? For all you Tennis fans, the US Open begins August 28 and will go until September 10 in Flushing, New York. Time to make some bets on who’ll be taking home the gold!

The Green Acres Presbyterian Church will be having their Rummage Sale on August 18 & 19. Mark your calendars and let’s support our neighbors.

As always, if you know of any friends or family members who may be interested in Province Place, refer them to us and you will receive a free month of rent upon their move in. I hope everyone has a wonderful August and I’m looking forward to continuing to get to know everyone!

Up Tempo provided us with some lovely Hawaiian music and even some Hawaiian dance lessons! Those who didn't dance had the opportunity to accompany the dancers with rhythm instruments! What great fun!
Province Place of Maryview residents had the chance to strut their stuff on Independence Day! We celebrated the Fourth of July with a patriotic parade around our parking circle. Residents marched behind their decorated walkers, rode “float chairs” or waved flags as they marched along. We even had a float! We had such a great time, we are already thinking what we can do better next year!
We’ve been trying to get outside for some games and fresh air. Here we are playing Ladder Ball and visiting with each other. July has been a hot mess so we are looking forward to perhaps some cooler days in August!

Our July Master Gardener Program was presented by Vicki Caminer. We learned about the life cycle of butterflies and what they like to eat. The Master Gardeners helped us make beautiful art pieces for our apartments.
About Time Band! presented a program of summer love songs for our fun and enjoyment. Elvis made a surprise visit and serenaded some of our lovely ladies with his famous love songs.

Western Branch Academy students have been coming by to share some time and some Bingo games with Province Place of Maryview residents this summer. We are having a great time together!

In our A to Z University this month, Vanessa Cole led us as we discussed and sang some of America’s greatest music!

Vanessa compiled the stories our residents shared last fall into poetry which is now printed into a booklet. We will be sharing some of those poems in our newsletters in the next few months.
Friends and families of our residents: Please be aware of those around you as you leave the building. We have some residents who have Wander Guard bracelets on to protect them from leaving the building and becoming lost. Please do not allow residents to follow you out of the building if the door alarm is sounding.

We appreciate your attention to this safety matter.

We love our residents!

**THE TREASURE CHEST**

My baby blanket, soft and worn;
Pigs and cows—all airborne.

A German watch & an Italian gun;
My baby stroller—that meant fun.

Adventures across a bridge to places unknown;
A new bike—my very own.

Fishing poles and water skis;
A pontoon boat and a lakeside breeze.

A dolly carriage and a dolly bed;
Perfect for my 2 cats to rest their heads.

A dollhouse built by my dad;
A metal truck—the best toy I had.

Roller skating was the best for me;
River showboats brought us shows to see.

In the treasure chest of my mind,
All these memories you will find.

Memories of residents of Province Place of Maryview as compiled by Vanessa Cole “The Treasure Chest”

Bob and Jean Zentz joined us for Happy Hour one Friday in July, sharing music and stories of America with the many amazing instruments they play. We always have such fun learning and singing.

Heart Song Singers presented a patriotic program for us in August. They always provide great music and give us background history on their songs.
