

# Virginia's largest certified stroke center network

## Bon Secours. Leading the Way in Stroke Care.

Bon Secours is the largest Joint Commission/American Heart Association certified stroke center network in Virginia. With nine certified stroke centers, we provide all areas of Neurology, Neurosurgery, and Neurovascular care for stroke patients. We're proud to be recognized for **leading the state in stroke care** by providing all our stroke patients the most advanced treatment options and resources available.
